Winners have been chosen to participate in the Arts & Cookery Bank's The Lost Arts culinary series.

Last month, the Bank attended the London Womens' Lifestyle Show, which drew a crowd of about 5,000 women.

Two representatives from the West Lorne Bank of Montreal, Debbie McCallum, Financial Service

Manager, and Carena Long, Assistant Branch Manager, helped draw three winning tickets from 267 women who entered to win free participation in the Lost Arts Culinary series, which gets underway later this month.

The winning names are Ivonna Verschool of London, Donna Bethune of St. Thomas, and Michelle Caskey of Ingersoll.

The Lost Arts will feature the talents of four women chefs from Elgin County: Christie Masse from CRUST

Catering & Bakery, St. Thomas, Deb McCallum from In a Jam, Dutton, Vicci Coughlin from Telegraph House Bed and Breakfast, Port Stanley, and Caren Emery from Tasty Sweets Café and Bakery, West Lorne.

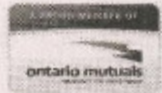

The chefs will demonstrate old fashioned cooking skills for baking bread, biscuits, buns, pie crusts, and pies from scratch, jams, jellies and preserves.

The program begins April 28. Each session lasts two-hours.
