First year anniversary celebration

The Arts & Cookery Bank in West Lorne

It's been one year since the Arts & Cookery Bank opened in a renovated heritage bank building in West Lorne. Come and celebrate with friends, neighbours, volunteers and the community who helped make the vision for this venue a reality. The festivities include a cake walk dance, a photo shoot-out and cake social.

"The local community helped us so much to get The Bank started and see our vision follow through," says Grace McGartland, chair of the Arts & Cookery Bank. "So we want to thank everyone who helped us accomplish our successful first year."

IF YOU GO...

The Arts & Cookery Bank
