

Photo Shoot-Out winners

The Arts & Cookery Bank uses Facebook to choose best photo

Joshua Driver of West Lorne and his great aunt, Dolly Driver of Dutton, were the winners of The Arts & Cookery Bank's Photo Shoot-Out competition, which took place at The Bank's First Anniversary Celebration July 16 during the Cactus, Cattle and Cowboys event in West Lorne.

The Bank's Photo Shoot-Out invited visitors to have their photo taken inside The Bank, with a choice of western costumes and horse saddles. The photos were placed on Facebook and participants were encouraged to get their friends and family to join ("like") The Bank's Facebook page and vote for their favourite photo. When voting ended July 31, Joshua, son of Patricia Driver and Dolly (Patricia's aunt) received the most votes. They will be receiving a Go Bank Certificate for a Free Birthday Cake as a prize.

"My sister, Joshua's Aunt Cathy, got the Facebook information and the link and she went crazy," says Patricia Driver. "She sent it to everyone and kept pushing

everyone she knows to vote."

These results make it a double win for the Driver Family because Patricia Driver won the first cake in The Bank's Cake Walk competition. Played like musical chairs, participants had the opportunity to win one of eight cakes if they were in the right spot when the music stopped.

"We were there enjoying the afternoon, watching the parade" says Dolly Driver. "When the parade was over, Joshua and I went to The Bank to look at the cake Patricia won and we were asked if we wanted to have our picture taken and participate in a contest."

Dolly says that despite cowboy hats being available for people to wear, Joshua only wanted to wear "Nana's" hat, so Dolly put on the one that was available and Joshua wore her hat for the photo.

"Clearly the Drivers have good luck running in their family," says Mitch Kuska, The Arts & Cookery Bank's summer student. "It was fun to see everyone who came out and participated in the day's events and we hope to see them all again next year!"
